

Example of Indian colonial architecture & interior design, this hotel is the place to be in the most vibrant ethnic district of Singapore, Little India. Craftsmanship at the highest levels of quality: this is the leitmotiv of this hotel for which Interna supplied all the loose furniture for public areas and guest rooms.

The Gup Shup, cosy Indian restaurant, has been furnished with the *Boudoir armchairs*, from Interna own collection, customised with floral pure silks and precious velvets to perfectly fit with the custom-made multicoloured sofa-benches and the stunning glossy red lacquered dining tables. The high table is surrounded by *Loulou stools* - Interna Collection, *Les Grands Classiques de Jacques Garcia* - produced with a special bespoke base to make the client's vision come true.
