ID: La Fourmi  
Charlotte Besson-Oberlin  
& Eve Von Romberg  
Client: Paris Society

Located on the Avenue Champs-Élysées, with its ravishing view on the Eiffel Tower and the Arc de Triomphe, the Mun rooftop restaurant and bar is the place to be in Paris. For this refined location Interna was called to supply all the dining armchairs, selected from its own collection *Les Grands Classiques de Jacques Garcia* and customized with precious velvets and a glossy black lacquer so to become high-end unique pieces that perfectly fit the Asian-themed concept of the project.
