

## Brera serviced apartments Leipzig

Germany

ID: Larissa Kadner  
Period: 2020  
Client: Brera GmbH

Centrally located in downtown Leipzig, the Brera project comprises 49 apartments of various sizes specifically designed for medium and long stays. Interna produced and installed turnkey the furniture for all the apartments, from the loose furniture to the whole millwork, including the fully equipped kitchens, the lamps, the curtains and all the accessories.

Leipzig serviced apartments is the third project Interna performed for Brera GmbH, after the ones implemented in Munich and Frankfurt, and it came with a new, beautiful, business-like design concept.
